**REMARKS**

Applicants' undersigned attorney appreciates the Examiner's consideration of the foregoing amendments to Claims 1 and 12 during the recent telephone conversation. As discussed, this amendment under 37 C.F.R. §1.312 is submitted in order to present minor amendments to Claims 1 and 12 to clarify the syntax of the final phrase of each claim. As will be noted, the foregoing amendments do not change the scope of the claims and should therefore be suitable for entry even after the Notice of Allowance.

As such, Applicants respectfully request consideration and entry of the foregoing amendments prior to issuance of the present application. If any questions should arise regarding this Amendment, the Office is encouraged to telephone Applicants' undersigned attorney to resolve those questions in the most expeditious manner.

Respectfully submitted,

Guy R. Gosnell
